FOREWORD

Our Statistical Yearbook aims to present an accurate statistical picture of Synod's work at home and abroad. Detailed questionnaires are mailed each year to every pastor, board, and institution. The response is generally most gratifying. Certain complicated tabulations, *e. g.*, Church Attendance, Proportion of Languages Used, Property Value and Indebtedness, Rural and Urban Membership, and numerous others, could not be established without the wholehearted co-operation on the part of the brethren. This is herewith gratefully acknowledged.

In order to have all statistics as complete as possible, the time for returning reports was extended again and again, causing the lateness of the final output. This is herewith regretfully deplored. Work on the Yearbook starts in December and (if we are fortunate) is completed in June. Certain reports (especially foreign and financial) are simply not available early in the season.

Any errors found are generally due to misinformation, misreading, misentry, or misprint. Five were reported last year. (No doubt, more have been found.) Kindly notify our office at once if the slightest error or inaccuracy is discovered.

Those who have used the Yearbook in the past will find several new items: "Growth of Synod 1920—1940" — tabulations and graphs (pp. 182—184); two graphs on "Contributions" (pp. 241, 242); "45th Institutional Missions Anniversary" (p. 211); "Rural and Urban Membership" (p. 181); "Summaries of Roll Calls 1931—1941" (p. 188).

From correspondence we perceive that the Index in the rear of the book is not sufficiently consulted. Anyone desiring detailed information on any subject treated in the book (*e. g.*, for lectures) may find it profitable first to turn to the Index with its numerous references.

Viewing the figures before us, we are moved to say humbly and gratefully: "The Lord has been with us, as He has been with our fathers."

At your service,

Samuel Michael, *Statistician*

URBAN AND RURAL CONSTITUENCY

The Government designates a church as *urban* or *rural* according to the location of the church building and limits *urban churches* to such as are located in "cities and other incorporated places having 2,500 inhabitants or more," to which in the 1936 Church Census have been added "townships with a total population of 10,000 or more, and a population density of 1,000 per square mile." On this basis the Missouri Synod is pronounced 60.2% rural and 39.8% urban in "churches (local organizations)" but 40.9% rural and 59.1% urban in membership.

In a canvass of our own every pastor was asked: "How many of your members have their occupation in the country (farmers, gardeners, dairymen, rural tradesmen, etc.), and how many have their occupation in a city, town, or village?" Reports have been received on 4,308 congregations, representing 1,268,226 members, with the following result: 66.4% of our members are "urban" inasmuch as they have their occupation "in town"; 33.6% are "rural," with occupation "in the country."

Roughly: 6 out of every 10 congregations are located in the country; 2 out of every 3 members "work in town."

NOTE. — The list starts with 1881 although baptisms and confirmations of adults were also reported prior to this. In 1918 a special column was set aside for these reports, and the number of confirmed jumped from 827 to 2,100, which showed that prior to this not half the pastors had reported on this phase of their ministerial activity.

C. MISSIONS IN EUROPE

Board. — Rev. A. G. Dick, chairman; Rev. Edward F. Miller, Ph. D., recording secretary; Rev. P. G. Sander, foreign-correspondence secretary; Mr. George Overbeck, treasurer; Mr. Fr. Baumann.

Scope: The Evangelical Free Church of Saxony and Other Provinces. The Evangelical Free Church of Alsace, France, is now incorporated in the Free Church of Saxony. The Free Ev. Lutheran Church of Finland. The German part of the congregation in Estonia was evacuated together with the pastor and resettled in Godeshaven, Prussia. A layman is in charge of the Estonian group in Arensburg, of which there is no report.

On account of the war, no statistics for 1941 have been received. In Germany an undisclosed number of pastors is serving in the army. In Finland, as far as we know, there are still four pastors at work. Due to government restrictions the full amount of our mission-allotment could not be sent, and at present no money can be sent.

Missionaries and Headquarters. — Pastors: J. A. C. Beyer, St. Paul, Minn.; A. Boll, Brooklyn, N. Y. (died Dec. 14, 1941); N. E. Borchardt, Detroit, Mich.; R. F. Cordes, Sask., Can.; E. Eichmann, Portland, Oreg.; A. E. Ferber, Kansas City, Mo.; G. H. Ferber, Los Angeles, Calif.;

Westermann, Seattle, Wash.; Cl. Bremer, Chicago, Ill. — Candidate: W. Uhlig, Memphis, Tenn. (5 months).

About 257 stations are served by the missionaries. At ten headquarters we have our own chapels and at eight our own parsonages.

Statistics for 1941: Souls, 4,465; voting members, 325; communicant members, 2,468; communed, 6,524; children baptized, 89; adults baptized, 51; children confirmed, 83; adults confirmed, 124; couples married, 50; persons given Christian burial, 39; children instructed, 698; periods of instruction, 2,363; services conducted, 2,547; calls, pastoral and missionary, 7,477.

Missionary O. C. Schroeder is in charge of the work among the blind, with whom he maintains contact through correspondence and the periodicals of which he is the editor. These periodicals are: (A) *The Lutheran Messenger for the Blind,* a monthly periodical published in the English standard braille, with a large mailing list and readers in every State of the Union and in many foreign countries; (B) *The Lutherann Herald for the Blind,* moon type, mailed quarterly. Other publications for the blind edited by our missionaries in American braille are: Luther's Catechism (according to Dallmann); a reprint of Synod's Bible History for parochial and Sunday schools; a Lutheran hymnal containing one hundred hymns, with braille musical notations; *The Life of Dr. Martin Luther;* and a prayer book. The editor reports: "Articles totaling more than 200,000 words were edited for these periodicals; 3,000 letters were handled for the blind. Upon advice of the American Foundation for the Blind I made application for recognition of our Library with the Postmaster General at Washington." The Library for the Blind with its 1,000 volumes has been removed from St. Louis to Chicago and is in charge of Missionary Cl. Bremer, who is assisting Missionary O. C. Schroeder in his work.

Our missionaries are doing blessed work in many State schools, hospitals, and asylums. In the schools for the deaf hundreds of children are instructed and will eventually be confirmed. In Chicago, St. Louis, and Kansas City services are conducted for the benefit of colored deaf. The St. Louis missionary instructs students of our theological seminaries in the sign language; in 1941 he devoted 42 periods of teaching to this work. Other missionaries use the mails to teach and to keep in touch with their isolated people.

The official organ of these missions is the *Deaf Lutheran,* a four-page monthly publication. Pastor O. C. Schroeder is the editor; business manager, Pastor N. P. Uhlig.

The appended financial report is that of the Board's treasurer. It should be noted, however, that our deaf congregations contributed $10,888.87 for all purposes of the Kingdom.

d. Special Institutions

1. *Bethesda Lutheran Home for Feeble-Minded, Epileptics, and the Helpless, Watertown, Wis.* Founded 1904. 1 school with 2 teachers and 51 pupils. 31 employees. 372 inmates. Value of property: $550,000. Receipts, $88,208.29. Disbursements, $88,551.34. Bethesda Lutheran Home is controlled by a Board of Directors elected by members of the Association. Every communicant member of the Synodical Conference may become a member of the Association. The Board consists of 15 directors, 9 of the Missouri Synod and 6 of the Joint Synod of Wisconsin. Following are the directors: Rev. F. H. Eggers, president; R. C. Freihube, vice-president; Henry A. Mitzner, secretary; William Kohls, treasurer; Rev. R. Reinke, Rev. O. F. Engelbrecht, Rev. E. Benj. Schlueter, Ed. Schmidt, Carl R. Krause, Arthur H. Mallow, A. F. Mayer, Ernst F. Niemann, August Egelhoff, William Redicke.

Source of support: In 1941 $22,283.13 were received for board from patients; the remainder was raised by congregations and individual donors, some of this by bequests. Mr. Louis Pingel is the superintendent of the institution, Rev. William Naumann the chaplain, and Rev. Emil Dornfeld the field secretary.

2. *Institute for the Deaf, Detroit, Mich.* Founded 1874. 10 teachers, 96 pupils. 26 employees. Property value, $300,000.

The Ev. Luth. Institute for the Deaf is the only Protestant school for deaf and hard-of-hearing children in America. — It is controlled by an association of 43 congregations in the metropolitan area of Detroit. J. A. Klein is the director. The following constitute the board of directors under whose direction he operates. Mr. Fred Auch, president; Rev. H. J. Riethmeier, vice-president; Walter Maul, secretary; Elmer Engel, cashier; Rev. E. T. Bernthal, Rev. H. R. Wacker, Werner Knack, L. C. Knorr, B. Schumacher. School Board: Revs. Geo. M. Krach, N. E. Borchardt, L. H. Koehler.

The Institute accepts all deaf and hard-of-hearing children from the age of three years and up whose parents desire a Christian training and education for them. — Since the cost of educating deaf children is exceedingly high and since the Institute gives a Christian education to Synod's children so afflicted, the school must seek its support from all of Synod's congregations.

Synod furnishes an education without tuition to young men preparing for work in the Church but expects students preparing for a secular calling to pay tuition, which is to be remitted to Synod. For purposes of this report all students paying tuition to Synod, thereby qualifying as regular students, have been added to the ministerial students in arriving at the number of students for whom credit can be given. However, at Winfield and Fort Wayne certain exceptions had been made, and the tuition of special students was retained for local use. Three years ago Bronxville also entered this class. Bronxville had 114 students paying tuition, which is being retained; Fort Wayne had 185 high-school students, and Winfield had 77 special students. These special students at Bronxville, Fort Wayne, and Winfield are not included.
